

DIGITAL EMPOWERMENT UKRAINE

START: ONGOING ENTRY

New in Berlin?

You can use your computer, smartphone and internet to learn German and find information, help and advice on jobs, housing and schools in Berlin.

Digital Empowerment Ukraine

helps you with:

1. a computer and German course:

Here you learn together with other women.

2. individual counselling

on computers, smartphones and the internet.

Practically you can

- practise German
- write e-mails or an application
- search for information on the internet
- and much more

FOR WHOM?

For all women who have fled from Ukraine.
